MS. ROSARIO W. CUYEGKENG

President and Chief Executive Officer

Philippine British Assurance Company, Inc.

Dear Ms. Cuyegkeng,

The Institute of Corporate Directors (ICD), in partnership with the Insurance Commission (IC), is pleased to announce the score of your company for the 2023 assessment of the Insurance Companies (InsCos) under the Corporate Governance Scorecard (CGS).

The CGS is a globally-benchmarked scoring system designed for improving the corporate governance performance of InsCos in the country. The questionnaire was developed in 2012 by the ASEAN corporate governance experts group based on the G20/OECD Principles of Corporate Governance. The developmental tool was later on adopted by other sectors in the Philippines such as the Insurance Companies and Government-Owned and Controlled Corporations.

The Insurance Commission with its initiative to raise the bar of corporate governance practices in the insurance industry issued its Circular Letter No. 14-2013, the adoption of the CGS in all insurance companies and mutual benefit associations (MBA). The CGS consists of questions according to their classes on insurance companies' governance policies and practices. Included is a bonus and penalty section for giving due recognition to conformance with accepted best governance practices and for highlighting areas needing improvement among the insurance companies.

We would like to inform you that the 2023 CGS assessment pertains to your company's 2022 operations. As such, we have provided a summary of the Company's CGS scores below for your reference.

Part E. Responsibilities of the Board	40	16.84

Hi Ms. Marcellina,

Good day!

Thank you for your follow-up.

Please be informed that the 2024 assessment for insurance companies has not yet commenced. We are currently awaiting the Insurance Commission's verification and confirmation of the final list of insurance companies to be assessed this year.

We understand the urgency due to the upcoming deadline on May 30, 2025. However, we will only be able to proceed with the assessments once the final list has been officially confirmed. We will provide the results as soon as the assessment process is completed.

Thank you for your patience and understanding.
