

Company Profile

COMPANY HISTORY

Philippine British Insurance Company Inc. is a privately owned, non-life insurance company serving the Filipino community for the past 64 years. We aspire to be the most trusted non-life insurer in the country—a partner you can depend on at all times.

From humble beginnings as a partnership with British firms Ker and Co., Ltd., Sun Insurance Office, Ltd., Phoenix Assurance Co., and Union Insurance Society of Canton, Ltd., we have now grown to write more than ₱2.4 billion of premiums in 2024, backed by an equity of ₱1.8 billion, and managed an asset of ₱4.4 billion with services in 31 different locations. We are blessed with strong support from all our stakeholders—partners, customers, associates, and owners—all who have helped us get to where we are today.

We are happy to see everyone thrive and succeed in their respective endeavors as a result of our commitment to the insurance industry.

We commit to providing a customer experience that is of the highest standards—a customer experience that is **FRictionLESS**, **TRANSPARENT**, and **RESPONSIVE**—attributes that will help encourage trust among all our stakeholders.

As we usher in a new era, we would like to reaffirm our excitement about where we are headed and what we can accomplish—not just in the next 60 years but for the generations to come.
